

OVATION - SUPERWAX RESIN POLISH -

FOR NEW & USED PAINTWORK

Complete Perfection: Ovation is the ideal wax polish to give a final 'as new' appearance to a repaired vehicle.

High Performance: Easy action, medium cut with very low chalk, delivering an incredible deep gloss finish on all paint finishes including metallic and water based.

Blending-in: Excellent light renovating/refreshing action to blend in existing paintwork to repaired area.

Bodyshop Approved: Contains no volatile silicones.

Directions: Shake well before use. Apply to clean cool surfaces with soft polishing cloth. Do not apply in direct sunlight. Buff to shine with a dry Micro-ACE polishing cloth.

Typical Specification :

Composition	: An emulsified blend of waxes, non-volatile silicones, polishing aids, and non-aromatic solvents in water.
Appearance	: Viscous Cream
pH	: 8.5
Colour	: Pink
Viscosity	: Medium
Perfume	: Warm Waxy
Stability	: Protect from freezing. Store at ambient temperature.
Shelf Life	: Eighteen months minimum in Unopened containers.
Packaging	: 1L & 5L polys.
